DELIVERY SET-UP AGREEMENT

When you receive your building, the truck & trailer often require more room than the buyer anticipates, be prepared. Make sure tree stumps, limbs, and any other obstacles are removed prior to installation. It always works best to unload and install on a graveled level site. If this is not practical have blocks ready to block up. Set up time with blocks is 1 hour(\$30.00 plus you supply the blocks), overtime is \$40.00 per hour. If buyer so desires, he can finish setting up after one hour is up. If building must be put in a extremely difficult place a minimum fee of \$25.00 will be charged. If a wrecker with a winch is needed buyer is responsible for payment of this service. Hauler shall not be held liable for yard damage. It is understood that we receive full payment before we unload.

ACCEPTANCE OF PROPOSAL

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
